The Board of Trustees held a special Fee Increase Hearing for public discussion of proposed food service meal price increases for the 2016-2017 school year in the School Library as posted/published at 7:45 p.m. on July 13, 2016. Those in attendance were Chairman Cecil Martin, Trustees Kathryn Bomar and Dustin Heinzerling, Superintendent Alan Felgenhauer, Clerk/Treasurer Loretta Hammond-Nichols, one patron and one employee.

Chairman Martin called the meeting to order at 7:48 p.m. stating the purpose of the meeting for public discussion of the 2016-2017 proposed meal price increases for the Food Service program.

Superintendent explained that the request is for twenty-five cents to cover the P/K-8th breakfast since it receives the same serving size as the 9-12th grades. This increase would price breakfast at \$2.00 for all students P/K-12th grade. The adult price increase request is for fifty cents. The increase would make the price of the adult breakfast at \$3.00. The lunch price increase request is for twenty-five cents for K-12th grades. The increase would make the price for K-8th grades at \$3.00 and for the 9-12th grade \$3.25 for lunches. The adult price is at \$6.00 for lunch with no change. Those students who qualify for free and those who qualify for the reduced breakfast .30 cents/reduced lunch .40 cents will not be affected. Federal regulations request increasing prices each year by at least ten cents to stay in line with preparation costs.

Chairman asked for public comments. No comments from the public.

Superintendent informed the Board that this item will be on the August agenda under unfinished business for approval. The information will be published in the back to school newsletter.
